Acknowledgements

These materials are reviewed by the ACCA examining team. The objective of the review is to ensure that the material properly covers the syllabus and study guide outcomes, used by the examining team in setting the exams, in the appropriate breadth and depth. The review does not ensure that every eventuality, combination or application of examinable topics is addressed by the ACCA Approved Content. Nor does the review comprise a detailed technical check of the content as the Approved Content Provider has its own quality assurance processes in place in this respect.

We are grateful to the Association of Chartered Certified Accountants for the permission to reproduce past examination questions. The answers have been prepared by Kaplan Publishing.

INTRODUCTION

Packed with practice and exam-type questions, this book will help you to successfully prepare for your exam.

- All questions are grouped by syllabus topics with separate sections for ‘study support questions’ (Section 1 of this book) and ‘multiple choice questions’ (Section 2).
- The study support questions (in section 1) are designed to test your understanding of the syllabus topics. These can be attempted either during your initial study or your early revision phase. In the approach to the exam you should turn your focus away from these to the exam style multiple-choice questions to gain exam practice.
- The multiple choice questions (in section 2) are all in exam style and of exam standard. You should ensure that in the last few days/weeks of your preparation before the exam you focus exclusively on this style of question to ensure you are sufficiently rehearsed in this style of question.
- A mock exam is provided at the back of the book. You should try this under timed conditions and this will give you an idea of how you will perform in your exam.

ENHANCEMENTS

We have added the following enhancement to the answers in this exam kit:

Tutorial note

Some answers include tutorial notes to explain some of the technical points in more detail.

CONTENTS
