These materials are reviewed by the ACCA examining team. The objective of the review is to ensure that the material properly covers the syllabus and study guide outcomes, used by the examining team in setting the exams, in the appropriate breadth and depth. The review does not ensure that every eventuality, combination or application of examinable topics is addressed by the ACCA Approved Content. Nor does the review comprise a detailed technical check of the content as the Approved Content Provider has its own quality assurance processes in place in this respect.

The past ACCA examination questions are the copyright of the Association of Chartered Certified Accountants. The original answers to the questions from June 1994 onwards were produced by the examiners themselves and have been adapted by Kaplan Publishing.

We are grateful to the Chartered Institute of Management Accountants and the Institute of Chartered Accountants in England and Wales for permission to reproduce past examination questions. The answers have been prepared by Kaplan Publishing.

INDEX TO QUESTIONS AND ANSWERS

INTRODUCTION

The majority of the questions within this kit are past ACCA exam questions. The index identifies which sitting the questions were from. An 'A' next to the question in the index means that the past exam question has been adapted in some way. For example, past exam questions have been modified to reflect the current format of the exam where Professional Skills Marks make up 10 of the 50 marks in each Section A question and 5 of the 25 marks in each Section B question.
